MB MP demands immediate release of Security hostages

In a meeting in parliament MB MP Dr Hamdi Hassan submitted an urgent statement to the Minister of Interior demanding the immediate release of the state security's most recent hostages

Security forces had launched a campaign of arrests on 5 MB students in Alexandria arresting members of their families if the students were absent. The MP condemned the arrests and stressed that these measures were a complete violation of the law and the constitution which stipulates freedom of rights adding that the detainees must be released immediately
