

Ezzat: Rayan's Martyrdom Increases Steadfastness

MB Secretary General Dr. Mahmoud Ezzat told Ikhwanweb that the martyrdom of Nizar Rayan, one of the top Hamas figures, increases the steadfastness of the Palestinian people in the face of the atrocious Zionist aggression on Gaza.

Dr. Ezzat said that contrary to the Zionist belief, these attacks amplify the determination and resolution of the Muslim nation by showing a practical model. Rayan was a great scholar and resistant noted for his stances. He added that the resistance is the pride of the Islamic nation and martyrdom is the wish of every sincere Muslim. He warned the Zionist entity that the blood of Nizar Rayan will turn to a curse on all those involved in the offensive. He offered his condolences to the martyr's family and to Hamas movement.

Zionist drones bombed Thursday the house of Nizar Rayan in northern Gaza Strip, which led to his martyrdom along with a number of his family members. Rayan was a prominent leader in Hamas and member of the political leadership of the movement. He worked as a professor of Hadith at the Islamic University in Gaza.
