Throughout several days, assassinations are committed by the Zionists who are using huge military weapons and vehicles backed by the US administration which is used to intriguing and conspiring against Arabs and Muslims in Palestine , Iraq and others.

An inhumane blockade is still imposed on Gaza Strip where children, elders and women die due to lack of medicine and food, said the MB chairman. He urged them to do their best and continue working till their donations and aid reach the Palestinian people, especially in Gaza Strip, and to ask their governments to support their brothers in Palestine by all means.
