

DR Morsi : MB has a Peaceful agenda

Dr. Mohamed Morsy, MB Executive Bureau Member, asserted that Muslim Brotherhood does not practice violence for achieving political ends and condemns it whether it comes from individuals groups or states and governments

This statement comes after slanders by some Egyptian media against Muslim Brotherhood, defaming the group with political violence.

In his statement to Ikhwanweb, Dr. Morsy has ascertained that the agenda Muslim Brotherhood adopts is a peaceful and reformist one, based on respecting democracy as a cornerstone and honoring mechanisms of civil society.

"Muslim Brotherhood rejects all forms of violence" Dr. Morsy collaborates "and unceasingly believes in non-violent constitutional strife and peaceful rotation of power".
