

A statement regarding any calls from the brothers referred for investigation

In the name of Allah, the Most Gracious, the Most Merciful “

"O ye who believe! Fear Allah and be with those who are true (in word and deed)." (9:119)

His Eminence Mr. Ibrahim Munir, the Deputy Leader and the acting General Guide, issued a directive that any invitation to a meeting of any institution in the Muslim Brotherhood to which any person referred for investigation is considered of no value.

He also directed to stop any unofficial media coverage of the facts of the internal crisis until the investigation committee completed its investigations and announced its decision regarding the brothers referred for investigation.

He also stressed the importance of all brothers being keen to work, as duties are a lot, and tasks are big, so roll up your sleeves and have a sincere intention to Allah SWT (for Allah is with you, and will never put you in loss for your (good) deeds.). (47:35)
