

Muslims Brotherhoods greets Islamic ummah in celebration of the holy month

“Muslim Brotherhood” celebrates Ramadan Holy month amongst Muslims worldwide. We pray that Allah grants us Ramadan’s blessings and guides us through it to the best of fasting and prayers. Let us start this month with sincere repenting and ask Allah forgiveness, as this is the best reception of the holy times.

We extend special salutes to our brothers and sisters detained behind dictatorships’ bars. We ask Allah to put an end to this injustice and that they return soon to the warmth of their families and homes in safety and blessings.

May you always be healthy and blessed.
