

In defense of Al Aqsa: Muslim Brotherhood calls upon the free of the world to rise in support!

In the name of Allah,

Oh Aqsa, Labeik!

The Muslim Brotherhood asserts the Murabitin in Bait AlMaqdis (Jerusalem) their steadfastness is honored and appreciated as they stand for the dignity and honor of our Ummah defending Al Aqsa Mosque and its worshipers against all Zionist aggression.

And we call upon the free of the world to rise in support of Al Aqsa, and in rejection of the occupation and its plans to take over the prophet's "Masra" (location where Allah has taken Prophet Mohamed; Al Aqsa Mosque).

We extend our call to all international and societal institutions:

Stand against these heinous crimes violating all religious laws, historical facts, international charters, and UN resolutions. End repeated raiding of Al-Aqsa and all provocative measure to change its identity. Open Al-Aqsa Mosque to pilgrims, Murabitin and worshipers. Take Urgent action to prevent prospected raiding during the Passover holidays.

And, with cautious and understanding of the parameters of the situation, the Muslim brotherhood:

Calls upon the Murabitin and the people of Palestine to gather up in defense of Al-Aqsa Mosque. Calls upon the people of our Ummah to organize and facilitate more events and activities in support of the Palestinian people. Calls upon governments of all Muslim countries and all supporters of justice and peace around the world, to take initiative and end the threats Al-Quds and Al-Aqsa Mosque are facing.

Finally, we pray for the acceptance of the martyrs who passed defending Al-Aqsa, may Allah grant them mercy. May the martyrs' families, the wounded and Al-Murabitin be granted all the honor and salutation for their sacrifices and steadfastness.

"...And Allah has full power and control over His Affairs, but most of men know not" Yusuf 21

Praise Allah the greatest
