

**Statement: They are not from us, and we are not from them**

In the name of Allah the Merciful

“ Honour Allah’s covenant when you make a pledge, and do not break your oaths after confirming them, having made Allah your guarantor. Surely Allah knows all you do (91) Do not be like the woman who foolishly unravels her yarn after it is firmly spun, by taking your oaths as a means of deceiving one another in favour of a stronger group. Surely Allah tests you through this. And on the Day of Judgment He will certainly make your differences clear to you (92) “ Surah An-Nahl.

May Allah have mercy on the owner of the shadows when the shadows of these two verses are cast, and he said (fulfilling the covenant of Allah includes the Muslims’ pledge of allegiance to the Messenger – may Allah’s prayers and peace be upon him. A society will arise, and humanity will not arise, and the text shames those who take vows to break their oaths after confirming them, and they have made Allah their guarantor, and they witnessed him as their covenant, and made him the guarantor of their fulfilment, and then threatened them with a hidden threat: “ Allah knows what you do.”)

And out of loyalty to Allah Almighty, and in defense of the group’s thought and history, and bearing the trust of thousands of martyrs on our necks, and for the right of those who were patient and patient over calamities that exceeded all the teachings of the messages of heaven and the spirit of humanity that Allah Almighty placed in the hearts of creation, and compliance with the legal requirements represented by the Deputy Guide General and

Chargé d'Affaires Professor Ibrahim Munir, it has become a duty to clarify the group's final position on the issue of splitting the ranks, which preoccupied those calling to the religion of Allah with insight.

And with the amount of pain in our hearts due to the departure from the group and splitting its ranks from brothers we worked with for years in the service of our da'wah, and to restore the vitality and discipline of work as required by the rights of this da'wah.

And for all of the above and by the following matters: —

First, is the violation of legality.

Second: The violations that occurred, and the slander that there is a plan to deviate the group from its principles and bypass its constants, which did not happen and will not happen, Allah willing, and these are accusations that are promoted, and only those who want to harm the group are said to be.

Third: The insistence on persistence and persistence in the mistake despite repeated advice.

Relying on Allah Almighty, the following declaration has been decided:

1— We are not from, and we are not from everyone who went out of the class and everyone who contributed to splitting the group and repeating false slanders.

2— The invalidity of the so-called (the committee responsible for the virtue of the mentor), which some announced, and everyone who participated in it is considered to have chosen himself to leave the group by violating its regulations and literature and rejecting all attempts to unite and unite the ranks.

We call on everyone to work with the Jamaat's institutions under the legitimate leadership of the Deputy Supreme Guide and the Chargé d'Affaires and to take only those who represent them from them.

The Muslim Brotherhood, announcing this, prays to every worker of Allah's religion and the method of the Prophet — Muhammad, may Allah bless him and grant him peace — to succeed in his work in a productive parallel, not in a crippling quarrel.

Let every person of determination work for his method, and every pledge of allegiance adheres to his pledge, and

heal the wound of division and dispersion, and let us unite in working to raise the religion and the homeland, and all of us contribute to solving the current crises of the homeland, and in priority of which is the crisis of detainees from various political factions, and we restore the real role of the call with the community, and let it be a scalpel. The doctor is a way to heal the body.

Despite this, the door of the "Muslim Brotherhood" remains open for anyone who reconsiders himself and admits his mistake and adheres to his pledge of allegiance, his group and its legitimate leadership.

" Say, O Prophet, "This is my way. I invite to Allah with insight—I and those who follow me. Glory be to Allah, and I am not one of the polytheists." Surah Yusuf (108) .
