

MB Congratulates Turkish People on the 14–May Democratic Scene

With conclusion of the presidential and legislative election day in Turkey, the Muslim Brotherhood (MB) congratulates the free Turkish people on this inspiring democratic scene they have exported to the whole world, which was manifested in a massive popular turnout, as well as respect for order, law and competition rules.

The Muslim Brotherhood that always hails free peoples who defend their rights and protect their will, wishes further progress and prosperity to Turkey and its people, and may Allah grant every success to the president-elect and members of parliament who gain the people's trust, in working for the good of Turkey and its people.
