

Muslim Brotherhood message of congratulation to President Erdogan

H. E. President Recep Tayyip Erdogan, President of Turkey and Chairman of the Justice and Development Party (AKP)

The Muslim Brotherhood (MB) has the pleasure to congratulate you on winning the confidence of the great Turkish people and re-electing you as President of the Republic of Turkey after granting your electoral alliance, the People's Alliance (Cumhur İttifakı), absolute majority in Parliament, in a solemn democratic ceremony that astonished the world, with unprecedented popular turnout.

Through the elections' massive turnout, the Turkish people re-confirmed their keenness to proceed with the march of your economic, political and social success, and showed confidence in your alliance's ambitious electoral platform, and the 'New Turkey' vision that places Turkey among the top ten in the world, stressing their desire for Turkey's stability and resilience in the face of regional and global challenges.

The Islamic world has followed the Turkish elections and wished victory for your alliance, believing that the 'New Turkey' vision is not limited to Turkey's renaissance only, but rather a vision that has manifested the Islamic world's dreams and its longing for liberation from dependency, and its desire for renaissance and progress. Therefore, the Islamic world wishes Turkey perpetual progress for its permanent support for fair causes.

May Allah Almighty protect Turkey, its leadership and its people; and perpetuate its stability and security.

With my respect and appreciation,

Yours faithfully,

Dr. Salah Abdel Haq
