

Muslim Brotherhood Appreciates Saudi Arabia's Efforts in Serving Pilgrims

On the occasion of the imminent end of the Hajj (pilgrimage) season this year (1444 AH / 2023 AD), the Muslim Brotherhood (MB) has the pleasure to express its appreciation of the efforts of the Kingdom of Saudi Arabia –leadership and people– in serving pilgrims of the Grand Mosque, the sacred house of Allah, under the leadership of the Custodian of the Two Holy Mosques, His Majesty King Salman bin Abdulaziz, and his Crown Prince, His Highness Prince Muhammad bin Salman.

The MB also congratulates the Saudi people, and all those in charge of the Hajj season this year, including ministries, bodies and individuals, for their relentless efforts in serving pilgrims of the Grand Mosque, and keenness to facilitate performance of the Hajj ritual, particularly the outstanding ability of the Ministry of Interior and other forces in undertaking organization and security.

The MB also appreciates the efforts of the Ministry of Hajj and Umrah along with the Ministry of Islamic Affairs, Call and Guidance in organizing Hajj, dissemination of religious awareness, and preparation of Mawaqit (fixed times and places for Ihram) and the holy sites area; as well as the efforts of the General Presidency for the Affairs of the Grand Mosque and the Prophet's Mosque in serving about two million pilgrims from different world countries, which drew a wonderful scene for one of the prominent rituals of Islam.

And it is Allah alone who bestows success,

Dr. Salah Abdel Haq

Acting Muslim Brotherhood General Guide
