

Muslim Brotherhood Condemns Israeli Aggression on Jenin

The Muslim Brotherhood (MB) strongly condemns the brutal aggression by the "Israeli" occupation army on the city of Jenin and its camp, which has "so far" left nine Palestinians dead and 50 others injured.

The MB confirms its full support for the Palestinian people's right to resist and defend themselves, in order to obtain their freedom and sovereignty over all their usurped lands.

The group also calls on the international community and free people across the world to move quickly to stop these serious crimes that have affected everything, even medical facilities.

The MB extends its condolences to the Palestinian people in general, and the families of the martyrs in particular. The group prays to Allah Almighty to bestow mercy and forgiveness on the martyrs; and wishes a speedy recovery for the injured.
