

Gaza's Nuseirat Camp Massacre Is a New Genocide Crime

The Muslim Brotherhood (MB) condemns the barbaric assault by the Israeli occupation forces against the Gaza Strip's Nuseirat Camp, which claimed the lives of over 210 civilians and injured over 400 others so far – a horrific brutal massacre and a blatant violation of international humanitarian law in times of war.

The MB also holds the United States responsible for the genocide committed by the occupation army and the excessive support for the Israeli entity. Meanwhile, the Brotherhood stresses that the Palestinian resistance it has the right to work for liberation of its land and prisoners.

The MB believes that “the occupying entity’s strategic failure” has been achieved since October 7, 2023, over the course of eight months – a fact that will not change by retrieving a handful of prisoners or even all Israeli prisoners held by the resistance brigades.

The Muslim Brotherhood once again calls on the international community to press for implementation of the International Court of Justice’s decisions. It calls on the Arab and Muslim rulers to expel ambassadors of the occupying entity, sever all diplomatic and commercial relations with it, stop all forms of normalization, and work to isolate it, being a rogue entity from international legitimacy.

The Muslim peoples and all free people of the world should also increase movement momentum in support of the Palestinian cause, and expose the Nuseirat Camp massacre, committed by the Israeli army today, at every forum – whether popular or formal, local or international – in the course of supporting the oppressed.

﴿ And do not weaken in pursuit of the enemy. If you should be suffering – so are they suffering as you are suffering, but you expect from Allah that which they expect not. And Allah is ever Knowing and Wise. ﴾ (Al-Nisa: 104)
