

MB: We call on the masses of our nation to rise up and demonstrate for Palestine after Friday prayers

Under the genocidal war waged by the Israeli occupation forces on the Gaza Strip for over ten months so far, which claimed the lives of about 40,000 Palestinian martyrs and left more than 90,000 injured; and with the (55th.) anniversary of the crime of the arson attack on the Al-Aqsa Mosque, which has a special status in the hearts of Muslims across the world – we call on the masses of our Arab and Islamic nation to rise up and demonstrate once again in expression of rage at the crimes of the occupation against our people and our sanctities in Palestine.

The Israeli enemy continues to commit a crime every day and violate sanctities, some of which are to Allah more severe than the sanctity of Al-Aqsa Mosque, namely the sanctity of shedding Muslim blood on the land of Palestine, the blood of women, children, and worshippers, in safe displacement shelters, in transgression of all limits of humanity, in violation of international values, norms and laws, and in defiance of the feelings of Muslims and all free people across the world. Meanwhile, the people of Gaza are appealing for Allah's help; and seeking protection from the Muslim nation and demanding their support.

Therefore, the Muslim Brotherhood (MB) calls on the masses of our nation to rise up and demonstrate once again tomorrow, Friday, 23 August, in expression of their rage at the lives that are being lost and the sanctities that are being abused on the land of the Isra' (Prophet Mohamed's night journey from Makkah to Al-Aqsa Mosque) and Mi'raj (Prophet Mohamed's ascension to Heaven) – in response to the call of the Islamic Resistance Movement – Hamas: to denounce the occupation's Nazism, and remaining silent about its crimes; to demand political and legal support and various forms of support, and for the masses of our nation to confirm that they are standing behind the resistance until Palestine and Al-Aqsa Mosque are liberated, and the precious and pure Palestinian blood is spared; which is the least we should do, as there is no excuse after that!

Allah Almighty says: ﴿ And what is [the matter] with you that you fight not in the cause of Allah and [for] the oppressed among men, women, and children who say, "Our Lord, take us out of this city of oppressive people and appoint for us from Yourself a protector and appoint for us from Yourself a helper?" ﴾ (Al-Nisaa: 75).

Allah Is the Greatest; and May Praise Be to Allah
