

MB condemns the “Israeli” electronic attack on Lebanese people

Brotherhood: We condemn the electronic attacks on Lebanese people and call on our peoples to intensify their support for the Palestinian resistance

﴿ Say, ‘Never will we be struck except by what Allah has decreed for us; He is our protector.’ And upon Allah let the believers rely. ﴾ (Al-Tawbah: 51).

The Muslim Brotherhood (MB) expresses its intact condemnation of the electronic attacks that targeted and injured hundreds of the Lebanese people and claimed the lives of a major number of them.

The MB stresses that this new crime is another crime against humanity, added to the crimes committed by the Zionist enemy against our peoples, and that it will never kill the spirit of resistance in the souls of these peoples, who will not stop supporting the Palestinian right as well as the Palestinian resistance in its blessed battle for freedom and independence.

The Brotherhood holds all the Zionist entity’s sponsors fully responsible for this crime and the crimes that had preceded it and will those that may follow it. The MB also calls on the Arab and Muslim peoples (as well as the free

peoples of the world) to intensify their efforts in support of the Palestinian resistance by all possible means.

... And Allah will surely support those who support Him. Indeed, Allah is Powerful and Exalted in Might. (Al Hajj: 40)
