

MB condemns the “Israeli” attack on Lebanon and the assassination of Hezbollah Secretary– General Hassan Nasrallah

The Muslim Brotherhood (MB) reiterates once again its condemnation of the barbaric “Israeli” attack against the Republic of Lebanon, targeting the Lebanese resistance supportive of our people in Palestine, and assassinating several resistance leaders, particularly Mr. Hassan Nasrallah, the Secretary –General of Hezbollah, in addition to killing and injuring thousands of the Lebanese civilians.

The MB extends its condolences to Lebanon and its people for the victims of the heinous aggression. The MB extends its condolences to Lebanese Hezbollah as well as Lebanon and its people for the victims of this heinous aggression.

The Brotherhood emphasizes that the assassination of the resistance leaders comes within the framework of tightening the noose around Palestine. The MB also stresses that the resistance against the “Israeli” occupation is a right and a duty for every Muslim everywhere, until all Palestine is liberated.

The Brotherhood believes that the Israeli arrogance in the Arab region has escalated, where the “Israeli” aggression has gone beyond Palestine to Lebanon, Egypt, Yemen, Syria and Iraq without facing any response. In fact, the conflict is about to explode in the entire Middle East, destroying crops, animals, and people.

Therefore, the countries of the region must exercise pressure on the “Israeli” occupation and work to deter it, using all forms of political, economic and military deterrence, as the enemy is still practicing its terrorism without any fear from punishment.

Lebanon, which is under bombardment today, is not the first and will not be the last (to be exposed to the “Israeli” aggression)!

The MB also calls on the international community to assume its responsibilities towards stopping the Israeli terrorism and bringing the wanted Israeli terrorism leaders to justice.

The Brotherhood also calls on Arab and Islamic countries to stand by Lebanon (in this ordeal).
