

Call to Masses Our Muslim Nation Amid the Approaching One-Year Anniversary of Operation Al-Aqsa Flood

As the one-year anniversary of the launch of Operation Al-Aqsa Flood is approaching, the Muslim Brotherhood (MB) calls on all the free people of the world to express their rage via demonstrating and holding mass events against the genocidal war against the Gaza Strip, in response to the call of the Islamic Resistance Movement – Hamas.

Let the anniversary commemoration events be staged in all the Arab, Muslim, and the whole world streets, cities and capitals on Friday, 4 October; Saturday, 5 October; Sunday, 6 October; and Monday, 7 October.

Let the events be held under the slogan: “Flood Towards Liberation”, in support of the Palestinian people, in rejection of the Zionist-American aggression and the genocidal war against the Gaza Strip, and to pressure for putting an end to the war on Lebanon and the Israeli terrorism in the region.

In this regard, the MB emphasizes the humanitarian, religious, and legal duty of supporting the Palestinian people in liberating their land and reversing the aggression – as the Palestinian cause is a fair cause under divine laws, international law, and the Universal Declaration of Human Rights.

Therefore, after a year of massacres and violations, the Brotherhood calls upon all countries, governments, international and civil society organizations, and the free people of the world to escalate their resistance to the “Israeli” terrorism, each based on his position, as a year of massacres is enough to stir the world’s conscience, leaving no excuse to anyone for failure to provide support to Palestine.
