

On his second anniversary.. Among the feats of Mr. Ibrahim Munir, may Allah have mercy on him

Today marks the second anniversary of the passing away of Mr. Ibrahim Munir –may Allah Almighty have mercy on him and accept him among the righteous– who ascended to his Lord on 4 November 2022 AD, after a history full of Da’wa and jihad for the sake of Allah, as he assumed responsibility as the acting Muslim Brotherhood General Guide, succeeding Dr. Mahmoud Ezzat – whom we pray to Allah Almighty for his release from captivity, along with all our brother detainees in Egypt’s prisons.

Mr. Ibrahim Munir –may Allah Almighty have mercy on him– assumed responsibility for the Da’wa (MB) in difficult circumstances, manifested in the regime’s persecution of the group internally, with efforts to besiege it, dismantle it, and brand it as a terrorist organization. In fact, Mr. Munir –may Allah have mercy on him– faced the regime’s accusations of the Muslim Brotherhood with courage, and stood up to attempts to classify the MB as a terrorist organization; and he was granted success by Allah to do so. Within the group, Mr. Munir sought to help the group restore its health by unifying its ranks, consolidating its internal ties, establishing institutional action, and correcting wrong situations; and also by adopting the youth (within the institution) out of the belief in their role in change, and for activation and direction of their energies to serve the Da’wa in the present and the future.

On the other hand, Mr. Munir –may Allah have mercy on him– was interested in developing the institution’s performance on several levels: as he sought to update its vision and develop its discourse to be in line with the current conditions and their transformations. In fact, Mr. Munir left an influential Da’wa legacy and a fragrant memory that will remain alive in the hearts of those who knew him and realized his value. May Allah have mercy on you, Abu Ahmed, and accept your giving and jihad in His path with good acceptance; and may He make the eternal paradise your abode and gather you with those that Allah has bestowed favor of the prophets, the steadfast affirmers of truth, the martyrs and the righteous. And excellent are those as companions.

﴿Among the believers are men true to what they promised Allah. Among them is he who has fulfilled his vow [to the

death], and among them is he who awaits [his chance]. And they did not alter [the terms of their commitment] by any alteration. ﴿Al-Ahzab: 23﴾

Dr. Salah Abdel Haq
