

Operation Al-Aqsa Flood Triumphs

Allahu Akbar, Allahu Akbar, Allahu Akbar... Allahu Akbar, Wa lillahil Hamd. (Allah is the Greatest... Allah is the Greatest and to Allah all praises belong.)

The Muslim Brotherhood (MB) appreciates the permanent ceasefire agreement signed by the Islamic Resistance Movement – Hamas with the Zionist entity in the Qatari capital, Doha. The MB stresses that the announcement of this agreement is a historic day in Palestine's liberation process, and that the liberation of the Palestinian prisoners is a great achievement, and even a victory for Operation Al-Aqsa Flood, despite all the ultimate sacrifices of the resistance and the people of Gaza.

Netanyahu has failed to release the “Israeli” prisoners through the infernal war and destruction machine. Rather, he and his government were the ones that submitted to the preconditions of the Islamic Resistance Movement – Hamas – and reluctantly accepted the exchange of prisoners for prisoners and were forced and coerced to withdraw from the Gaza Strip and the return of the displaced Palestinians. This has been achieved thanks to the bravery of the Palestinian resistance and the resilience of the heroic Palestinian people, who alone bore the consequences of the aggression and betrayal together.

While we value the permanent ceasefire agreement, we thank the parties sponsoring the negotiations, and we call on the parties guarantors of the agreement to protect the rights of the parties. We also call on the international community and the United Nations to support Palestinian rights and seek to rebuild Gaza and provide urgent relief to its people, after the Zionist enemy turned it into ruins.

Finally, we call on the peoples of our nation to be inspired by the spirit of Operation Al-Aqsa Flood and stand behind the Palestinian people in the battle of liberation and construction until the liberation process reaches its end. ﴿...And that day the believers will rejoice. In the victory of Allah. He gives victory to whom He wills, and He is the Exalted in Might, the Merciful.﴾ (Al-Rum: 4-5)

Long live the free, strong and defiant Palestinian resistance. Long live the resilient, struggling Palestinian people.
